

AWESOME NEWS!!

ALL Students in the Allen Parish School District
will receive FREE school meals for the
2023 – 2024 school year!

All schools are now eligible for the USDA's community eligibility provision program (CEP) for the next four school years (23-24, 24-25, 25-26, and 26-27). Each student may receive one breakfast and one lunch for free each school day.
NO meal application needed!

Reminder: Extra food or drink items or second meals will need to be purchased by the student. Parents & guardians can use My School Bucks or send a payment to put money on their child (ren)'s cafeteria account for extra purchases.

Children need food as fuel to perform at their best academically and athletically, so let's work together to promote school meals! Research shows that good nutrition for children helps to increase focus and attention span, decrease absenteeism and behavior problems, and improve test scores, so it's a win-win!
